

**INSTRUCTIONS FOR COMPLETING THE
APPLICATION FOR REFUND OF MOTOR FUEL TAX
DEPUTY COLLECTOR OR RETAIL DEALER (FIN 152)**under the *Motor Fuel Tax Act***GENERAL INFORMATION**

This application form is for use by deputy collectors and retail dealers to apply for a refund of security paid to their fuel supplier. Deputy collectors and retail dealers are required to pay a security equal to the tax payable on the final retail sale to a purchaser.

Do not use this form if you have been appointed a collector. Collectors should contact the ministry for further information on claiming a refund.

Do not use this form to claim a refund for a bad debt. For information on how to apply for a refund for an account that has been written off as bad debt, please see [Bulletin GEN 001](#), *Refunds of Tax Paid or Remitted on Sales Written Off as Bad Debts*.

If you are eligible for a refund under both the *Motor Fuel Tax Act* and the *Carbon Tax Act*, you must complete separate refund applications. To apply for a refund of the security that relates to the carbon tax, complete an *Application for Refund of Carbon Tax – Deputy Collector or Retail Dealer (FIN 143)*.

A refund application must be received by the ministry within four years from the date the security was **paid**.

For further information, please refer to [Bulletin MFT-CT 007](#), *Refunds for Deputy Collectors and Retail Dealers* or the Ministry of Finance website at gov.bc.ca/consumertaxes

WHO SHOULD USE THIS FORM?

You may use this form if you are a deputy collector or retail dealer who sells fuel at wholesale or retail. You can apply for a refund when:

- you have paid security on the fuel to your supplier,
- you have collected the amount of tax or security that is required to be collected on that fuel, if any, and
- the amount of security that you paid exceeds the amount of tax or security collected from your customer.

This situation can arise when you:

- sell fuel to status Indians, exempt fuel retailers or registered consumers,
- export and sell fuel outside BC,
- dye and/or relabel fuel and sell the fuel tax exempt or at a lower tax rate (e.g. purchased dyed diesel and sold as heating oil, fuel purchased as clear diesel and sold as marine diesel),
- sell dyed fuel exempt of tax to farmers,

- sell clear diesel or clear gasoline outside the South Coast British Columbia transportation service region (SCTA) or the Victoria regional transit service area (VRTA), and you purchase the fuel within those areas and pay a higher rate of security, or
- sell propane exempt of tax:
 - to a purchaser for use in a residential dwelling unit, (for information about the conditions, please see [Bulletin MFT 014](#), *Propane Exemptions*), or
 - to a purchaser who is a farmer and the propane is for farm use, or
 - in sealed containers holding 4 litres or less of propane or in pre-filled/refillable cylinders holding 28 litres or less of propane.

Please note: You cannot claim a refund if you purchase clear gasoline or clear diesel inside the SCTA or VRTA, and you **use** the fuel outside the SCTA or VRTA (e.g. you consume the fuel in the operation of your business). For more information, please see [Bulletin MFT-CT 005](#), *Tax Rates on Fuels*.

Calculating the Refund

Enter the dollar amount of your claim in Part B of the application form beside the applicable Reason for Refund for which you are making a claim. The sum of all of the amounts for each Reason for Refund will equal your total refund claim.

For information on fuel tax rates, refer to [Bulletin MFT-CT 005](#), *Tax Rates on Fuels*.

REASONS FOR REFUND

The following are descriptions of the various reasons you may claim a refund.

Line 1 Fuel Exported for Sale Outside BC. Enter the dollar amount for fuel on which you paid security and exported the fuel for sale outside the province.

Line 2 Clear Gasoline and Clear Diesel Dyed and Sold as Coloured Fuel. Enter the dollar amount for clear gasoline and clear diesel that was dyed and sold within BC at the coloured fuel tax rate.

You must have authorization from the ministry to colour fuel and sell coloured fuel. Where coloured fuel is sold from unmanned pumps (e.g. key or card lock), a copy of the *Coloured Fuel Account Certification (FIN 438)* must be completed by each customer. For a complete list of responsibilities for coloured fuel sellers, refer to the [Summary of Responsibilities for Coloured Fuel Sellers](#).

Line 3 Clear Gasoline and Clear Diesel Purchased within the SCTA or VRTA and Sold Outside. Enter the dollar amount for clear gasoline and clear diesel you purchased within the SCTA or the VRTA and sold outside those regions at a lower tax rate. For example, you purchased clear gasoline in Burnaby then sold that gasoline to a customer in Abbotsford.

Line 4 Dyed Diesel Sold as Heating Oil. Enter the dollar amount for dyed diesel sold in BC as heating oil, stove oil or furnace oil. If you have clear diesel that you dyed and sold tax exempt as heating oil, claim a refund at a rate of 3¢ per litre on Line 4. The remainder of your refund should be claimed on Line 2.

Line 5 Fuel Relabelled and Sold at Lower Tax Rate. Enter the dollar amount for fuel that was relabelled and sold within BC at a lower tax rate. You must have authorization from the ministry to relabel fuel. Examples of relabelled fuel include clear diesel sold as marine diesel and clear diesel sold as locomotive fuel. Do not include on this line the dollar amount of clear gasoline and clear diesel dyed and sold as coloured fuel (see Line 2).

Line 6 Fuel Sold to Status Indians and Indian Bands. Enter the dollar amount for fuel sold exempt within BC to status Indians or Indian bands. To qualify for a refund, the fuel must be sold on reserve land or to a status Indian or Indian band and delivered into a receptacle located on reserve land. For further information, refer to [Bulletin MFT-CT 002, Sales to Status Indians and Indian Bands, and the Exempt Fuel Retailer Program](#).

Line 7 Fuel Sold to Exempt Fuel Retailers (EFR). Enter the dollar amount for fuel sold to an authorized EFR on which you did not charge security. Include only exempt litres. For example, you sell 100,000 litres of clear diesel to an EFR that is authorized to purchase 25% clear diesel exempt of security. You do not charge security on 25% of the litres; therefore, you claim a refund on 25,000 litres.

Line 8 Dyed Fuel Sold to Farmers. Enter the dollar amount for coloured fuel sold exempt to farmers:

- delivered to a storage tank on farm land,
- from a bulk agent on the farmer's account (e.g. not a cash, credit card or debit card sale), or
- through a keylock or cardlock system on the farmer's account.

If you have clear gasoline or clear diesel that you dyed and sold to a farmer, you claim a refund only at a rate of 3¢ per litre on Line 8. The remainder of your refund should be claimed on Line 2.

Line 9 Fuel Sold to Registered Consumers, Visiting Forces or Diplomats/Consular. Enter the dollar amount for fuel sold exempt within BC to a registered consumer for the fuel type identified on the registered consumer certificate issued by the ministry.

Enter the dollar amount for fuel sold exempt within BC to a visiting forces and members of the diplomatic and consular corps.

Line 10 Substances Sold as Non-Motor Fuel Oil. Enter the dollar amount for the substance sold in BC exempt of tax as non-motor fuel oil.

Line 11 Propane Sold Exempt of Tax. Enter the dollar amount of propane sold in BC exempt of tax where sold:

- to a purchaser for use in a residential dwelling unit, or
- to a purchaser who is a farmer and the propane is for farm use, or
- in sealed containers holding 4 litres or less of propane or in pre-filled/refillable cylinders holding 28 litres or less of propane.

Line 12 Other – specify. Enter the total dollar amount for fuel on which you paid security for any reason not listed on Line 1 to Line 11.

Line 13 Calculate the Total Refund Claim. Add all refund amounts on Line 1 to Line 12. The ministry cannot issue a refund of less than \$10.

PART C – CLAIMANT DECLARATION

If your business is a corporation, the declaration must be signed by a member of the board of directors or an authorized employee of the corporation. Please print the name and title of the person who signs the declaration.
